Sorry, this is the correction:

We cut our number of PSTs to a total of 85 during last budget cut. We have 29 PSTs with 40 in class at Training Academy. That leaves with only 16 planned vacancies for blue path, for a total of 85.

Subject: PST numbers

Director, I have been informed that the anticipated number of PST graduates for this year might have changed. I had the expected number by December as 200-300. Can you clarify if anything has changed on this expectation? Thank you.
